

## Portable Radio: CP1100/CP1180

### Antennas

Injection molded for rugged environments. Each antenna is tested and tuned to give maximum power and performance.

#### Flexible Whip Antennas

Flexible whip antennas have a one-piece finish and steel core for optimal radiation characteristics. Provides more comfort when radio is worn on the belt.

8575099C01     Antenna, UHF 403 - 470 Flex Whip (RAN4031)

#### Stubby Antennas

This stubby quarterwave antenna is ideal when radio is worn on the belt because the short antenna is non-obtrusive.

8575100C01     UHF Stubby Ant R2 450-470 (GL158) (RAN4033)

#### Dual Coil

8575101C02     Antenna, VHF 146-174 Dual Coil (RAN4041)

### Audio Accessories

Motorola's range of audio accessories integrates perfectly with Motorola radio to provide a personalised two-way radio solution. Built with the highest quality standards, Motorola accessories are specially engineered to assure maximum performance of your radio. Designed as a complete solution, our extensive range of audio accessories from remote speaker microphones, headsets to surveillance kits will provide you the flexibility for hands-free operations to enhance your work productivity.

## Portable Radio: CP1100/CP1180

### Speaker Microphone

Remote Speaker Microphone provides greater operational flexibility to transmit and receive message without removing the radio from the belt or carrying case.

### Remote Speaker Microphone

HCLE4072 Remote Speaker Microphone

### Standard Earpiece/Earset

Cost effective standard earpiece that enhances user productivity by allowing the user to use the radio without removing it from the carrying case. These accessories can also be used with remote speaker and public safety microphone to provide private listening feature.

### D-Hook Earset

HCLE4107 Earpiece with Boom Mic

HCLE4105 Earpiece with Inline PTT Mic

### Earset

HCLE4073 Earpiece with Microphone

### Earbud Style Earpiece

The earbud fits snugly into the ear canal with high quality foam that provides high audio clarity and audio discretion leading to high voice quality.

HCLE4070 Earbud With PTT Microphone

RLN6423 Swivel Earpiece Accy

### Headset

Headsets allow high clarity, hands free, discrete two-way communications and thus are great productivity tools.

### Light Weight Headset

Light weight headsets allow high-clarity, hands-free, two-way communications while adding comfort for extended wear in moderate noise environments. Suitable for entertainment, retail, sport and leisure industries.

HCLE4074 Headset with Boom Mic

## Batteries

Motorola Original batteries are available in a variety of chemistries and capacities, designed to work hand in hand with your 2-way radios to ensure optimised performance and safety for your business. Motorola design batteries giving utmost importance to safety by using redundant safety circuits. Motorola pays close attention to details (latch mechanism, belt clip, battery housing to prevent unwanted disengagement and accidental damage. Motorola uses advanced manufacturing processes to ensure consistent battery performance. High graded pre-sorted cells are used ensuring superior quality and reliable battery.)

## Portable Radio: CP1100/CP1180

### Lithium Ion (Lilon)

6001200001 Ultra HC Li-Ion Bat CR 2400 (GL158) (RLN6308B)  
6080384X65 Std. Li-Ion Battery 1100 Mah (RLN6351)

### Alkaline

RLN6306 Alkaline Battery Frame (RHN1005)

## Carrying Accessories

Hard leather, soft leather and nylon carry cases secure and protect radio.

### Carry Cases

RLN6302 Hard Leather Carry Case

### Belt Clips

Belt clips are tested with strong pulling forces so to prevent radios from slipping away from user's belts even in harsh environments.

4280383X62 Spring Action Belt Clip (GL158)

## Chargers/Vehicular Accessories

Designed to work as a total system with the 2-way radio and the battery, Motorola original chargers keep your battery in tip-top condition and maximise battery life.

### Single Unit Trichemistry Chargers, Rapid Rate

Trichemistry chargers support NiCd, NiMH and Lilon batteries rapid charging.

RLN6304 Rapid Charger Kit

### Multi Unit Chargers (MUC)

Suitable for large fleet of radio users as it allows charging of six batteries at one go.

RLN6309 MUC with US AC cord  
IXPN4020 MUC with Euro/UK AC cord
